The Village Cheese House is not just a deli and sandwich shop, it's an integral part of the community. VCH catering services have been requested for many important family events such as graduations, birthdays, and weddings. The Village Cheese House has been making the Peninsula's favorite sandwiches for half a century, and the double-decker "Old Fashioned" is a tradition at countless local happenings and Stanford sporting events.

We're often the first stop for people returning to town, and if you haven't had a sandwich with our Original Spread, we encourage you to make your way to our little corner of the world.

Thank you!
